Rating / runtime	PG-13 / 155 minutes
Real title	Alien Rangers 2
Decoy title	Deep Water
Whose film it is	The Alien Rangers of Aquitar, led by Delphine, with Billy Cranston

WHY THIS DATE

April 22, 2022

- It's a spring cosmic slot like *Vol. 2*'s. It lands a week after *Fantastic Beasts 3* and two weeks before *Doctor Strange in the Multiverse of Madness*.

01 • TITLE: REAL AND DECOY

Alien Rangers 2, shot as Deep Water

- **Real title:** *Alien Rangers 2*.
- **Decoy title:** *Deep Water*. It sounds like an ocean thriller and hides Aquitar.

02 • WHOSE FILM IT IS

The Alien Rangers and Billy

- Delphine, Aurico, Cestro, Tideus and Corcus, at full strength, with Billy and Cestria in their new life on Aquitar.
- **Faithfulness note:** canon places Billy on Aquitar with Cestria and Divatox hunting Lerigot before *Turbo*. The film tells that story in the gap without contradicting it.

03 • WHEN AND WHERE IT'S SET

MGU Year Five: early 2017

- Aquitar, deep space, and Liaria, Lerigot's homeworld.

04 • WHAT IT'S ABOUT

Family is who you fight for

- Billy is cured and happy on Aquitar. Then **Lerigot**, the wizard of Liaria, arrives looking for help: the space pirate **Divatox** is hunting him for the golden key he holds.
- The Alien Rangers take him in and pay for it. Divatox's fleet strikes Aquitar, and the Aquitians fight a pirate armada with their **Battleborgs**.
- **The family twist:** a mysterious woman from **Inquiris** helps them. She's **Dimitria**, and she's Divatox's sister, as in canon. Two sisters on opposite sides of the war give the film its Gamora-and-Nebula heart.
- **Ending:** the Aquitians cover Lerigot's escape. He heads for the one being who can protect him: Zordon, on Earth.

05 • VILLAIN / ANTAGONIST

Divatox

- **Divatox**, the space pirate queen, at full canon power, with Elgar, Rygog, Porto and her Piranhatrons. It's her MGU debut before she comes to Earth.

06 • POST-CREDITS SCENES

Two scenes

- **Mid-credits: "Earthbound."** Lerigot's pod streaks into Earth's atmosphere above Angel Grove. This sets up *Turbo*.
- **End-credits: "Corcus."** Corcus tries to learn a human joke from Billy and gets it badly wrong.

07 • SETTING UP THE BIG BAD

Divatox's master

- Divatox boasts that she answers to "the Monarch himself." She's the piece Dark Specter moved toward Earth in *Power Rangers: Zeo*.

08 • ITS OWN WORLD-BUILDING

Aquitar at home

- Aquitian life, Billy's cure and Cestria, the Battleborgs, Liaria and Lerigot, and Inquiris and Dimitria.

09 • MGU WORLD-BUILDING

The rules every later film builds on

- **Divatox** and **Dimitria** enter the MGU, along with **Lerigot's key**, which matters on Muiranthias.

How it moves the phase forward

- It brings the Turbo era's villain, her sister and her target into the MGU, and hands Lerigot straight to the next film.

This is a fictional, alternate-history development document created for creative purposes. Characters and events follow the original Power Rangers television series (Mighty Morphin through In Space, plus the 1997 Turbo film). Where canon is silent, the film fills the gap without contradicting it.
