WHY THIS CHARACTER AND THIS DATE

Justin fills the Spider-Man role.

- **Justin is the MGU's Peter Parker.** In canon he's a 12-year-old genius who discovers the Rangers' secret and joins a team of high schoolers. Tommy is his mentor, the way Tony was Peter's, and he's the youngest Ranger in the saga.
- **The source is the canon film** *Turbo: A Power Rangers Movie*.
- **The date:** midsummer, three weeks after *Thor: Love and Thunder* and a week after *Nope*.

01 • TITLE: REAL AND DECOY

Turbo, shot as Learner's Permit

- **Real title:** *Turbo*.
- **Decoy title:** *Learner's Permit*. It sounds like a family comedy about a kid and cars, which is exactly what it hides.

02 • WHOSE FILM IT IS

Justin Stewart

- Justin, with Tommy (Red Turbo), Adam, Kat, Tanya and the injured Rocky.
- **Faithfulness lock:** the plot follows the canon film, including Rocky's injury, Justin's recruitment, Lerigot, Maligore, and Divatox kidnapping Jason and Kimberly.

03 • WHEN AND WHERE IT'S SET

MGU Year Five: spring 2017

- Angel Grove, the Power Chamber, and the island of **Muiranthias**, where Maligore waits in his volcano.

04 • WHAT IT'S ABOUT

The kid gets the keys

- Lerigot reaches Earth with Divatox close behind. She needs his golden key to open Muiranthias and free **Maligore**, the evil being she plans to marry, and she needs human sacrifices.
- During practice, **Rocky hurts his back** and can't be a Ranger anymore. **Justin**, a kid who has figured out who the Rangers are, steps up. Zordon gives the team **Turbo powers**, and Justin becomes the **Blue Turbo Ranger**.
- Divatox kidnaps **Jason and Kimberly** as Maligore's sacrifices, as in canon. Jason no longer has the Gold power by this point (*Gold Ranger 2* shows how).
- **Climax:** on Muiranthias, Maligore rises from his volcano and possesses Jason and Kimberly, and the Turbozords fight together for the first time. Justin proves he belongs on the team.

05 • VILLAIN / ANTAGONIST

Divatox and Maligore

- **Divatox** with Elgar, Rygog, Porto and the Piranhatrons, and **Maligore**, the being of fire in the volcano, at full canon power.

06 • POST-CREDITS SCENES

Two scenes

- **Mid-credits: "School."** Justin, back in class, tries to explain a bruise. Tommy, out in the hallway, just grins.
- **End-credits: "Graduation."** Tommy, Adam, Kat and Tanya hold their graduation gowns and look at each other. This sets up *White Ranger 3*.

07 • SETTING UP THE BIG BAD

Divatox reports in

- Defeated, Divatox sends a report to her master, and the watcher's familiar eyes respond. Earth is now Dark Specter's main target.

08 • ITS OWN WORLD-BUILDING

The Turbo world

- Turbo morphers and the Turbozords, Lerigot and Muiranthias, Maligore, and Justin's life as a kid among teenagers.

The rules every later film builds on

- Turbo powers join the MGU.
- Justin, the youngest Ranger, joins the saga.
- Divatox is now the Alliance's agent on Earth.

10 • ITS ROLE IN PHASE 3

How it moves the phase forward

- It launches the Turbo era and gives the MGU its young hero for the finale years.

This is a fictional, alternate-history development document created for creative purposes. Characters and events follow the original Power Rangers television series (Mighty Morphin through In Space, plus the 1997 Turbo film). Where canon is silent, the film fills the gap without contradicting it.
