Ragnarok for the old guard

- Divatox throws everything at Angel Grove. Meanwhile, Tommy, Adam, Kat and Tanya face graduation and the end of their time as Rangers.
- **The Thor lesson:** Tommy has been Green, White, Red Zeo and Red Turbo. He learns that the Ranger was never the power. It was him.
- **Climax and ending:** the veterans' last battle, then the canon **Passing the Torch**. Tommy gives Red Turbo to **T.J. Johnson**, Adam passes Green to **Carlos**, Tanya passes Yellow to **Ashley**, and Kat passes Pink to **Cassie**. Justin stays on as Blue.

Divatox

- **Divatox** at full canon power, and the Hela of this story: the force that tears down the old order.

06 • POST-CREDITS SCENES

Two scenes

- **Mid-credits:** “**Eltar.**” Zordon arrives home. On the horizon, a fleet of black ships is coming. This sets up *Power Rangers: Chase into Space*.

- Zordon leaving Earth is the setup for his capture. Fans have known since 2013 that he's the target, and now he has left his protectors behind.

08 • ITS OWN WORLD-BUILDING

The changing of the guard

09 • MGU WORLD-BUILDING

The rules every later film builds on

- **T.J., Carlos, Ashley and Cassie** become the core of the finale years.
- **The Phantom Ranger** is introduced.

How it moves the phase forward

- It retires the MGU's longest-serving hero from active duty and puts Zordon in harm's way.

This is a fictional, alternate-history development document created for creative purposes. Characters and events follow the original Power Rangers television series (Mighty Morphin through In Space, plus the 1997 Turbo film). Where canon is silent, the film fills the gap without contradicting it.
