Distributor	Walt Disney Studios Motion Pictures (20th Century Studios label)
Rating / runtime	PG-13 / 180 minutes
Real title	Power Rangers: Chase into Space
Decoy title	Lights Out
Whose film it is	Dark Specter , and the Power Rangers of every era

WHY THIS DATE

April 21, 2023

- Late April, the slot *Infinity War* made famous. It's two weeks after *Super Mario* and two weeks before *Guardians Vol. 3*.

01 • TITLE: REAL AND DECOY

Power Rangers: Chase into Space, shot as Lights Out

- **Real title:** *Power Rangers: Chase into Space*.
- **Decoy title:** *Lights Out*. It sounds like a horror film and hides the darkest chapter of the saga. The real title is the canon Turbo finale, *Chase into Space*.

02 • WHOSE FILM IT IS

Dark Specter

- Like Thanos in *Infinity War*, the Grand Monarch of Evil drives the story.
- The heroes are T.J., Carlos, Ashley, Cassie and Justin, plus the Phantom Ranger, Dimitria, Alpha 6, Andros, and veterans Tommy, Jason, Kat, Adam, Tanya, Rocky and Kimberly in supporting roles.

03 • WHEN AND WHERE IT'S SET

MGU Year Six: 2018

- Angel Grove, the Power Chamber, Eltar, deep space, and the Dark Fortress.

04 • WHAT IT'S ABOUT

He wins

- **Eltar falls.** Dark Specter's forces take the planet and **capture Zordon** and begin draining him.
- **Earth falls.** Divatox, with the Alliance behind her, **destroys the Power Chamber**. The Turbo powers die with it, and Justin chooses to stay on Earth with his father, as in canon.
- **The gathering:** Dark Specter calls the **United Alliance of Evil** together: Rita and Zedd, Divatox, Darkonda, Ecliptor and more. He crowns **Astronema** Princess of Evil, as in canon ("From Out of Nowhere").
- **The chase:** T.J., Carlos, Ashley and Cassie take a NASADA shuttle into space to find Zordon, and run into Andros.
- **Ending:** Zordon is chained in an energy tube and being drained. The Rangers are powerless, adrift in space, and Dark Specter's war has begun.

05 • VILLAIN / ANTAGONIST

Dark Specter and the United Alliance of Evil

- **Dark Specter**, Grand Monarch of Evil, at full canon power, with **Divatox**, **Rita and Lord Zedd**, **Darkonda**, **Ecliptor** and **Astronema**.

06 • POST-CREDITS SCENES

One scene

- **End-credits: "The Morphers."** On the Astro Megaship, Andros opens a case holding four **Astro Morphers** and looks at the powerless humans. Then the card: *Power Rangers will return.*

07 • SETTING UP THE BIG BAD

Payoff

- Ten years of setup pay off. The watcher has a name and a throne, and Zordon is his prisoner.

08 • ITS OWN WORLD-BUILDING

The fall

- The Power Chamber's destruction, Eltar's fall, the Dark Fortress, and the Alliance's council.

09 • MGU WORLD-BUILDING

The rules every later film builds on

- **The United Alliance of Evil** forms on screen.
- **Zordon is captured**, which sets up the finale.

How it moves the phase forward

- It's the defeat everything since *Red Ranger* has been building toward.

This is a fictional, alternate-history development document created for creative purposes. Characters and events follow the original Power Rangers television series (Mighty Morphin through In Space, plus the 1997 Turbo film). Where canon is silent, the film fills the gap without contradicting it.
