WHY THIS DATE

July 28, 2017

- It's a clear midsummer slot: a week after *Dunkirk*, two weeks after Fox's own *War for the Planet of the Apes*, and well away from *Wonder Woman*, *Spider-Man: Homecoming* and *Justice League*. A finale on the scale of *The Avengers* needs a summer date.

01 • TITLE: REAL AND DECOY

Power Rangers, shot as Homeroom

- **Real title:** *Power Rangers*. It's the franchise's own name, as *The Avengers* was, and the public first saw it at the end of *Blue Ranger*.
- **Decoy title:** *Homeroom*. It explains a large teenage cast on set, the way Marvel shot *The Avengers* as *Group Hug*.

02 • WHOSE FILM IT IS

The team

- It belongs to the Mighty Morphin Power Rangers as a group: Tommy (White, now leader), Jason (Red), Zack (Black), Billy (Blue), Trini (Yellow) and Kimberly (Pink), every one of them at full strength. It also introduces **Rocky DeSantos**, **Adam Park** and **Aisha Campbell**.

03 • WHEN AND WHERE IT'S SET

MGU Year Two: fall 2014

- **When:** fall 2014, after *White Ranger*.
- **Where:** Angel Grove, Stone Canyon (home of Rocky, Adam and Aisha), the Command Center, Zedd's Moon palace, and the quest for the Sword of Light.

04 • WHAT IT'S ABOUT

Six become a legend, and a legacy

- Lord Zedd launches an all-out assault with Goldar, his monsters and the Z Putties, aiming to break the Rangers once and for all. For the first time, all six fight together with the Thunder Megazord and the White Tigerzord at full power.
- Three young martial artists from Stone Canyon, **Rocky, Adam and Aisha**, get pulled into the fight, discover who the Rangers are and prove themselves, as in canon.
- Meanwhile, **Jason, Zack and Trini** are chosen as delegates to the **World Peace Conference** in Switzerland. They have to choose between the team and a chance to change the world.
- **Climax:** Angel Grove's biggest battle yet. All six Rangers and their allies against Zedd's whole army, with every Zord in the fight.
- **Ending, the Power Transfer:** with the **Sword of Light**, Jason, Zack and Trini pass their powers to **Rocky (Red), Adam (Black) and Aisha (Yellow)**, exactly as in canon. Then the original three leave Angel Grove. It's the end of an era and the start of a new team.

05 • VILLAIN / ANTAGONIST

Lord Zedd, all in

- **Lord Zedd**, carried over from *White Ranger* the way Loki carried over from *Thor*, at full power and throwing everything he has. Goldar, Finster, Squatt and Baboo, the Z Putties and Zedd's monsters back him up.

06 • POST-CREDITS SCENES

Two scenes

- **Mid-credits: "The Monarch."** In the dark at the edge of the universe, the watcher from *Red Ranger* appears again, closer this time. An unseen servant reports Zedd's defeat and addresses him as "My Monarch." The figure turns toward the camera and smiles. It's the MGU's version of Thanos's smile. He still isn't named.
- **End-credits: "The Juice Bar."** The original six sit at Ernie's in silence, drinking smoothies on their last day together. Bulk and Skull watch from the next table. It's the MGU's version of the shawarma scene.

07 • SETTING UP THE BIG BAD

The Grand Monarch

- “My Monarch” is the first clue to the title **Grand Monarch of Evil**. Fans who have been tracking the watcher since 2013 now know he outranks Zedd.
- It's now established that Zedd's war is being watched from above, which sets up the hierarchy that becomes the United Alliance of Evil.

08 • ITS OWN WORLD-BUILDING

The team film's world

- The full six-Ranger team in battle, the Thunder Megazord fighting alongside the White Tigerzord, Stone Canyon, the Sword of Light, and the World Peace Conference.

09 • MGU WORLD-BUILDING

The rules every later film builds on

- **The Power is a legacy.** Ranger powers pass from one generation of heroes to the next. The rest of the MGU is built on that.
- **Rocky, Adam and Aisha** become the new core of Phase 2.
- **Jason, Zack and Trini's exit** leaves a door open: in canon, Jason returns as the Gold Zeo Ranger.

10 • ITS ROLE IN PHASE 1

How it closes Phase 1

- It pays off every Phase 1 thread (Jason's leadership, Tommy's rebirth, Billy's growth, Zedd's war) and ends with the canon Power Transfer, which sets up Phase 2's new team. The mid-credits scene confirms what fans suspected since 2013: something far bigger than Zedd is coming.

This is a fictional, alternate-history development document created for creative purposes. Characters and events follow the original Mighty Morphin Power Rangers series.
